# Electro-technical desk

Slovenia, October 2015

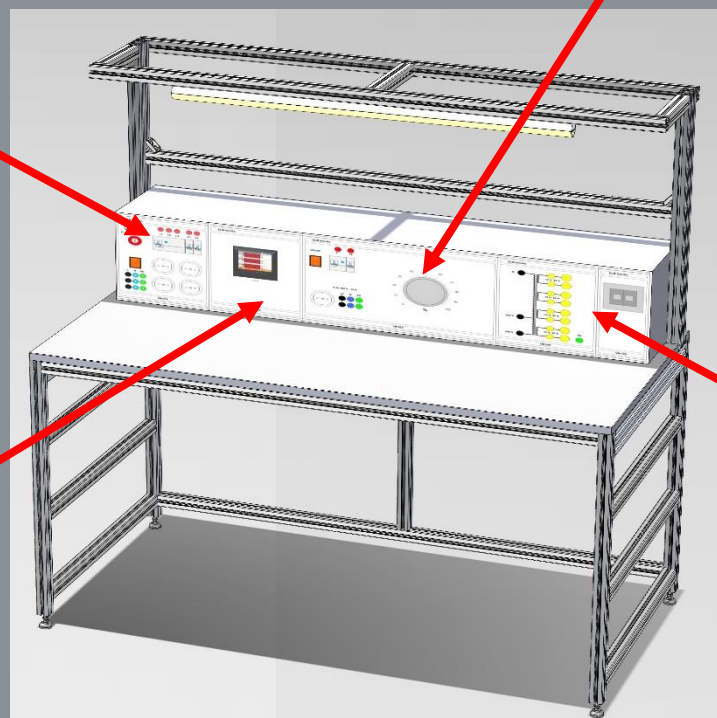

## Electrotechnical desk

**Modul 1**

**Modul 3**

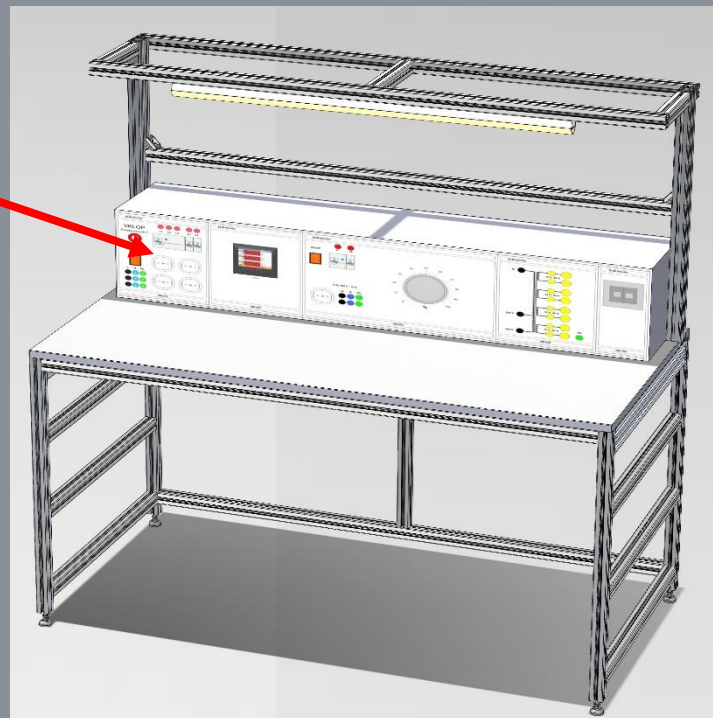

**Modul 2**

**Modul 4**

## Electro-technical desk

### *Modul 1*

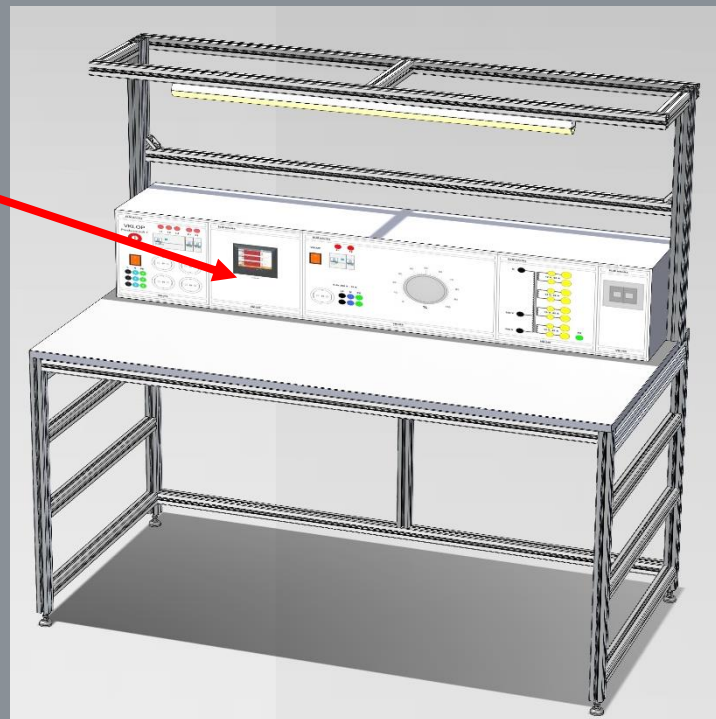

### *Modul 1*

- Low voltage industrial plug GW 60 009
- Main power switch 4 pole, 20A
- Emergency stop mushroom button
- Residual-current device 30 mA
- Consumer-protective circuit-breaker 16A with undervoltage release
- 3 phase indicator lamp
- 3 GB socket

## Electrotechnical desk

**Modul 2**

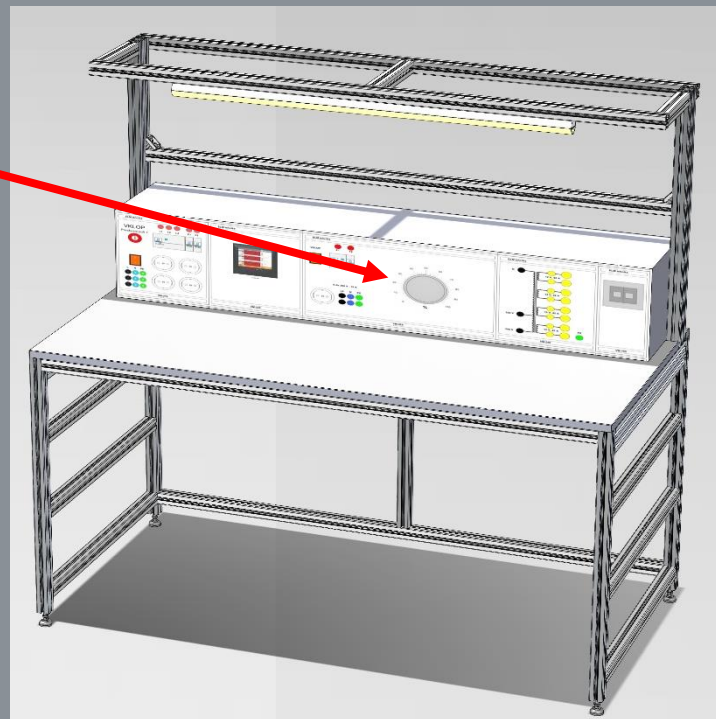

**Modul 2**

- Miniature circuit-breaker
- RMS multimeter Iskra MC330 (U, I, P, Q, S, PF, PA, f,  $\phi$ ... ) with LCD display

## Electrotechnical desk

**Modul 3**

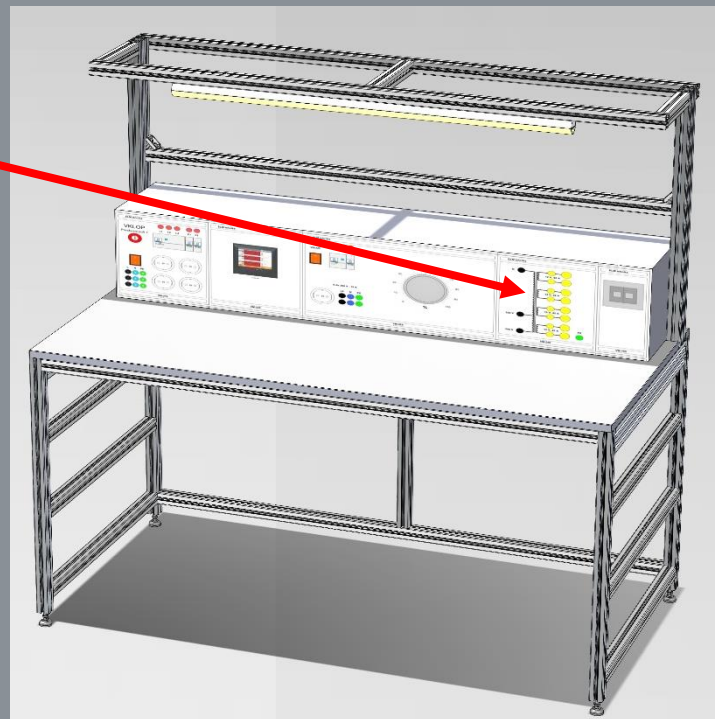

**Modul 3**

- Miniature circuit-breaker 16A
- Variable Transformer 230 VAC/16A
- 1 GB socket

## Electrotechnical desk

**Modul 4**

**Modul 4**

-230 VAC transformer with:

- a) primary 0÷230 VAC and
- b) secondary 2x 12 VDC and 2x 24VDC (socket 4 mm)
